# iOS Settings
Notifications & Location Services

When a user updates to iOS 13 the device may automatically turn off app permissions, like *NOTIFICATIONS* and *LOCATION SERVICES*, that prevents the Per Diem Plus Fleets app from posting alerts and recording location.

While Using the App

Always   ✓

App explanation: "Please select "Always Allow" to automatically determine if you qualify for per diem."
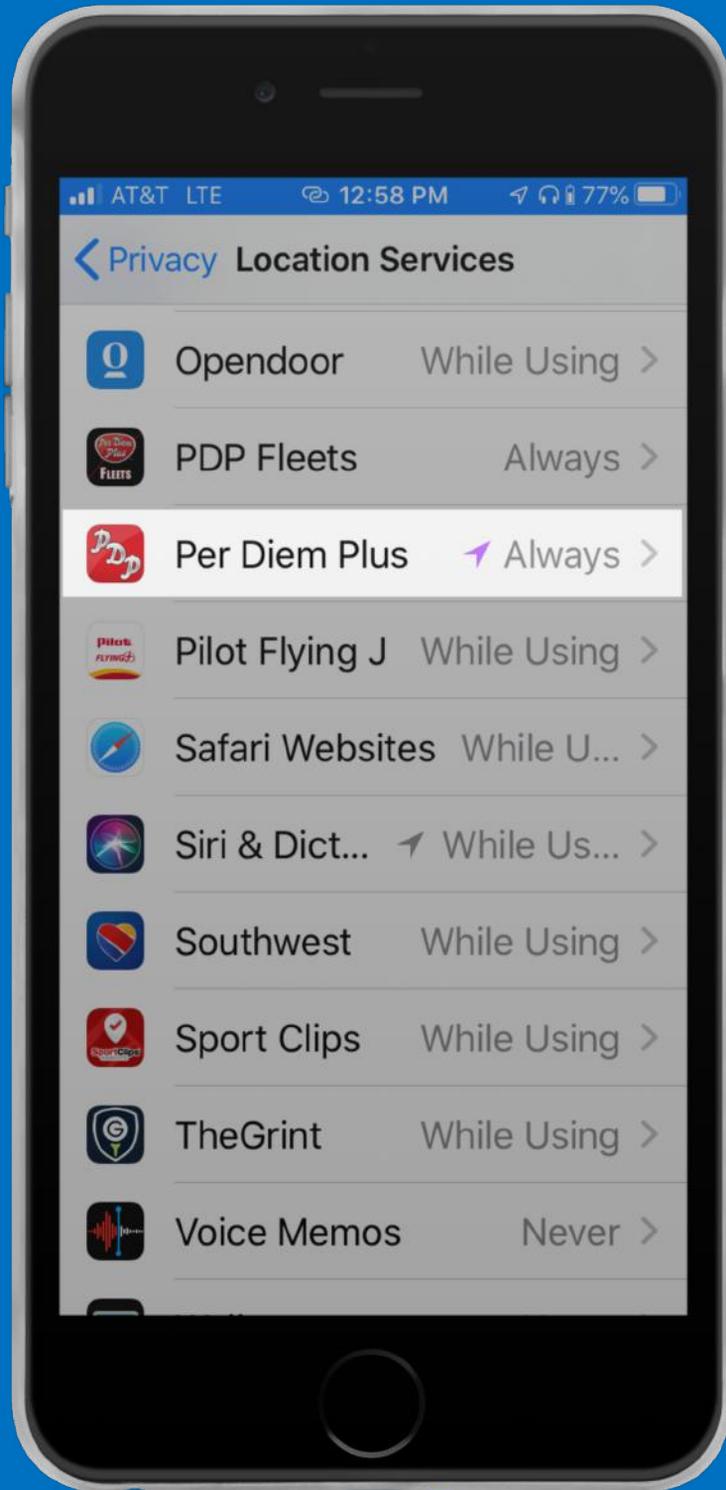

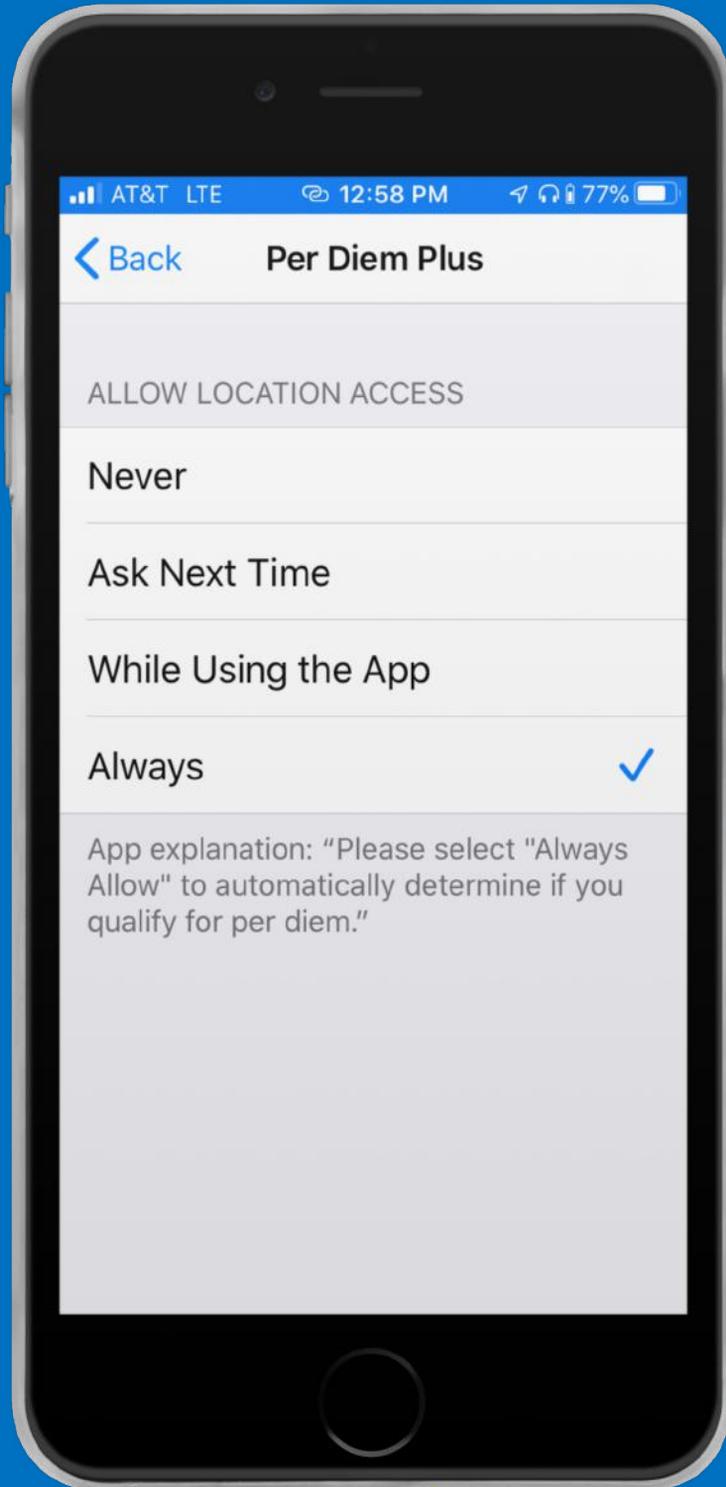

Verify "Always" Is Checked

"Per Diem Plus" has used your location 160 times in the background over the past 3 days. Do you want to continue to allow background location use?

Please select "Always Allow" to automatically determine if you qualify for per diem.
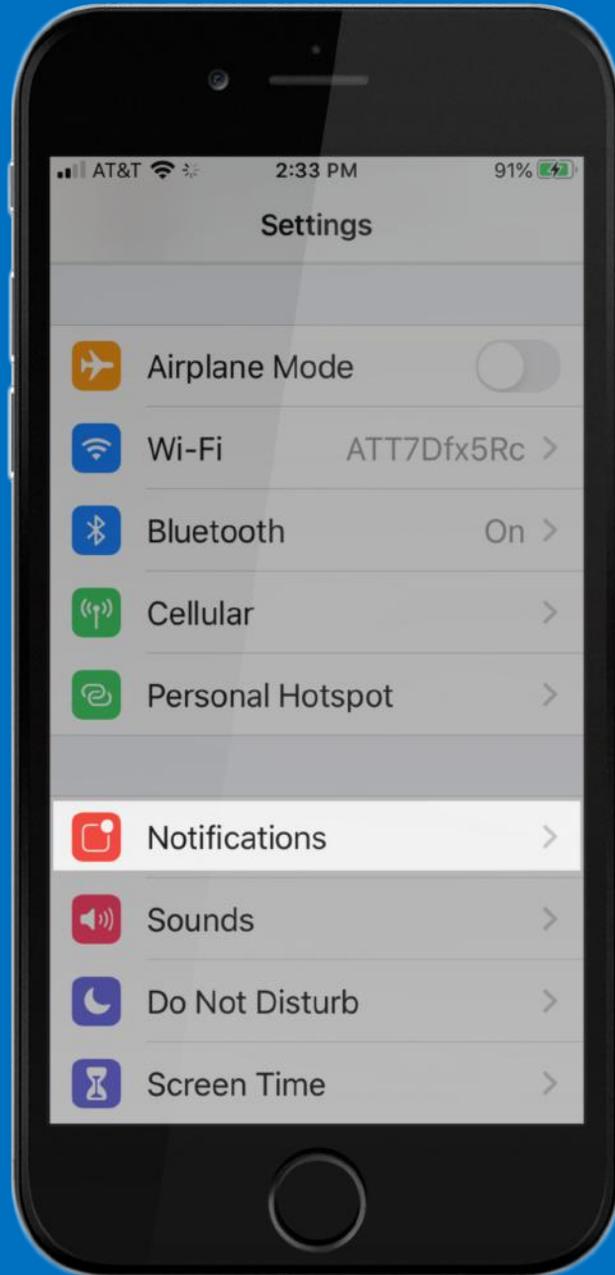

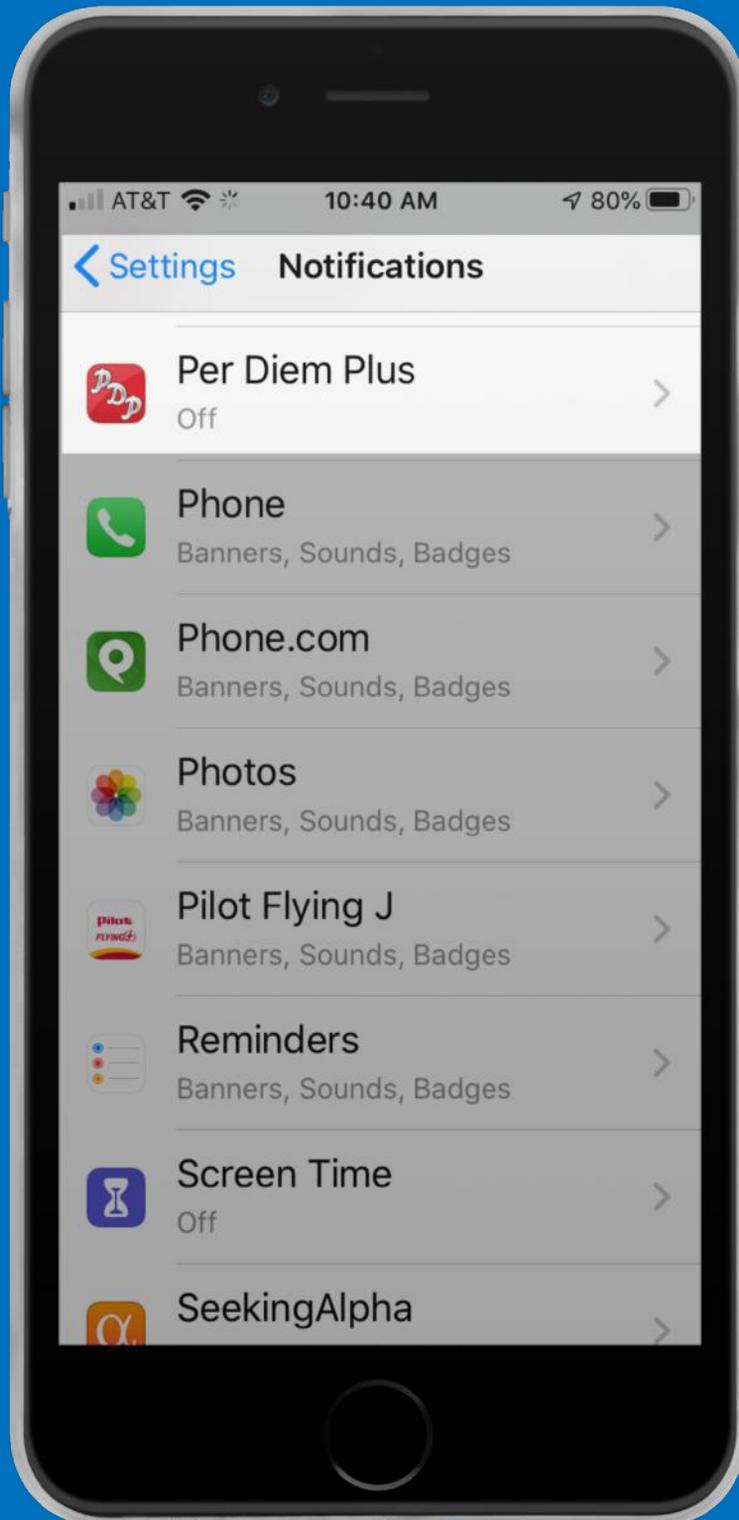

Change to Only While Using
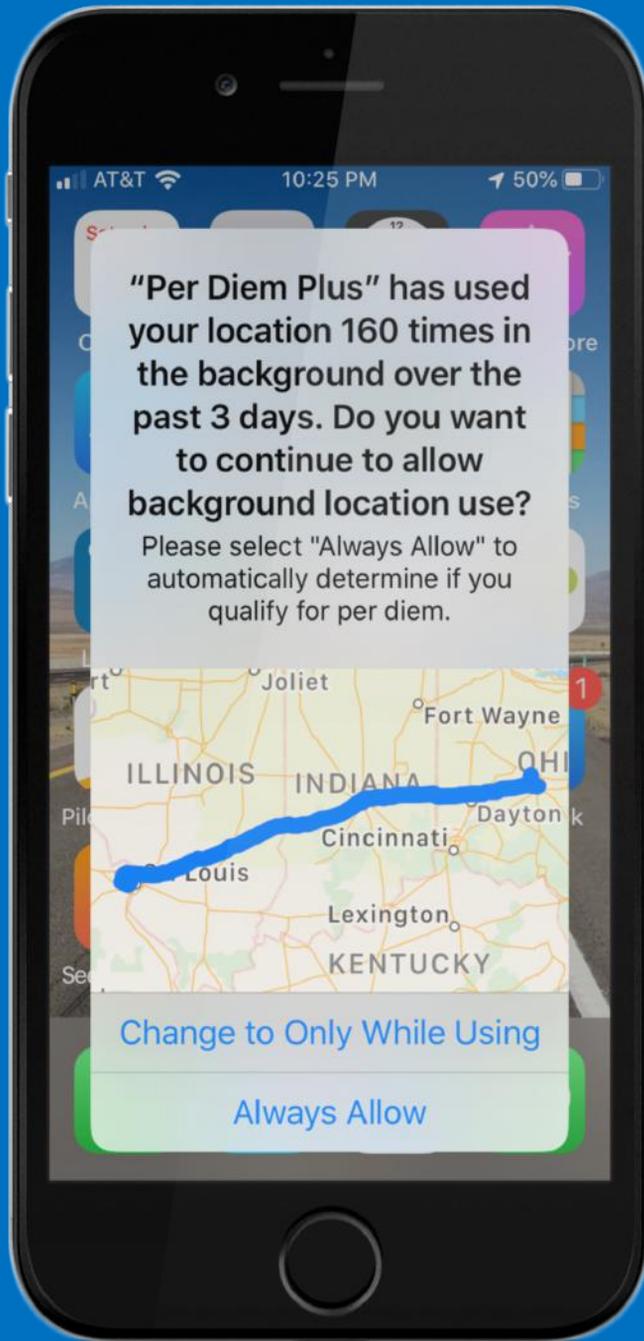

Always Allow

Select "Always Allow" When iOS 13 Posts Location Use Reminders
