

Adjusting Privacy Settings

The Per Diem Plus Fleets app requires your location to determine if you qualify for per diem.

Android:

1. *Open Settings>Privacy*
2. *Select Permission Manager*
3. *Select Location>Per Diem Plus Fleets*
4. *Select "Allow all the time"*

iOS:

1. *Open Settings>Privacy*
2. *Verify Location Services are ON*
3. *Scroll to Per Diem Plus Fleets*
4. *Set Location Services to "Always Allow"*
