

Product Guide

Truckers designed it. Tax pros built it. Your drivers want it. It takes minutes to start up an IRS-compliant per diem plan with Platform Science and Per Diem Plus.

Benefits include:

- Enhance recruiting & retention by raising employee driver take-home pay
- Save motor carriers thousands of dollars per driver
- Automate per diem payroll accounting & tax compliance
- Eliminate the need to retain ELD backups to substantiate per diem

Per Diem Plus® is the only IRS-compliant solution for Special Transportation Industry per diem for solo and team driver travel in the USA and Canada.

GPS-Based Tracking: Per Diem Plus® utilizes GPS to establish IRS-required “time, date and place” substantiation to prove away-from-home travel.

Proven: Drivers have logged millions of miles using Per Diem Plus! Join those that value their time, love to eliminate inefficient paperwork, and want to simplify tax compliance and save money.

Easy Setup: An IRS-compliant cloud-based platform that allows for rapid deployment with minimal investment in IT resources.

Easy to Use: Web services interface that allows non-technical users to manage individual and team drivers.

Scalable: Whether 5 or 15,000 trucks, our secure cloud-based platform will meet the growing needs of your fleet.

Data Plan Friendly: An average driver on the road for a month will use less than 50MB per month.
