# PER DIEM PLUS – SMALL FLEETS

*Truckers designed it. Tax pros built it. Introducing Per Diem Plus - Small Fleets*

*Per Diem Plus – Small Fleets* is our newest solution for solo and spouse teams that incorporates features from our enterprise Fleets platform. Users can customize app settings to configure and automate several app functions.

## Custom Settings Options:

- Record per diem for team drivers on one device
- Schedule automated per diem reports - weekly, bi-monthly, monthly
- Add multiple recipients for automated per diem reports, i.e., accountant
- Select tax home geofence : 5, 10, 15, 20 or 25 air-miles
- Enable automatic "Auto-Trip" default setting
- Manually enter missed per diem

**Fully Automated:** You have more important things to do than "play with an app". We automatically track each qualifying day and partial day of travel away from home.

- Eliminate the need to retain ELD backups for 3 years to substantiate per diem
- Native Android & iOS mobile app
- Supports solo and team drivers with single user login
- GPS / KML per diem IRS audit-trace reports
- 4-year cloud-based data retention policy
- Manage subscription through PDP website

**Affordable**: $8.99/month/user

**IRS-Compliant:** Per Diem Plus® is the only IRS-compliant, mobile-enabled application for iOS and Android that automatically tracks each qualifying day of travel in the USA & Canada to substantiate away-from-home travel for solo and team drivers.
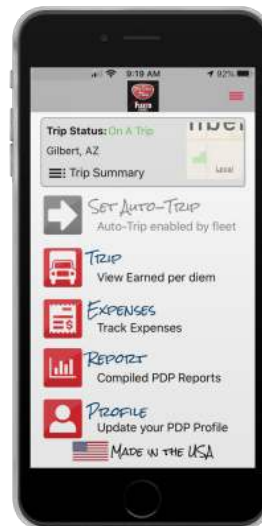

**GPS-Based Tracking**: Per Diem Plus utilizes a devices GPS to establish IRS-required "time, date and place" substantiation to prove away-from-home travel

**Proven**: Drivers have logged millions of miles using Per Diem Plus! Join those that value their time, love to eliminate inefficient paperwork, and want to simplify tax compliance and save money.

**Easy Setup**: An IRS-compliant cloud-based mobile app platform that allows for rapid deployment.

**Secure Login**: Two-Factor authentication with fleet code and driver ID login.

**Data Plan Friendly:** The average user on the road for a month will use less than 50MB per month.
